A special thank you to our amazing IT Technician Seamus who dedicated so much time and effort in finalizing and editing all our virtual performances. "TCS Choir"

We want to thank our fantastic Chairperson Rebecca who is so devoted to the choir and always pushes us into new grounds with such panache, support and positivity. "The whole grateful TCS Choir"

**A huge thank you to Julian and Phil
for coming with us on our “virtual” journey.**

**We so miss singing live with them
and we appreciate all the time they have spent playing and conducting
to phone screens!**

**Have a great summer and we WILL
(hopefully) see you in person in September.**

...not forgetting...

The unseen but not unsung
